MIPIM UK is the UK's largest exhibition and conference centre for property professionals. This is the fourth year that MIPIM has come to London and we are delighted to be showcasing the Airey Miller stand at the event between the 17th-18th October.

Meet Caroline Pillay at MIPIM UK 2018, please use the contact details shown or drop by Stand **J-08** (adjacent to the London Stand) to discover how Airey Miller can help support your developments.

Caroline has a wealth of experience in the delivery of urban regeneration projects, both as a consultant and client side. Her team provide development and project management services and, in conjunction with her colleagues throughout Airey Miller, a complete strategic, commercial and technical advisory service. An example of which is one of the largest regeneration projects in London where we are supporting Homes for Lambeth.
